Civil Action No. 3:23-CV-2111-X-BN

**ORDER ACCEPTING FINDINGS, CONCLUSIONS, AND_
RECOMMENDATION OF THE UNITED STATES MAGISTRATE
JUDGE**

The United States Magistrate Judge made findings, conclusions, and a recommendation in this case that the case should be dismissed for lack of subject matter jurisdiction. (Doc. 6). Miner then responded with an amended complaint. (Doc. 7). The United States Magistrate Judge then made supplemental findings, conclusions, and a recommendation with the same conclusion that the case should be dismissed because, like the initial complaint, the amended complaint failed to plausibly allege a basis for subject matter jurisdiction. (Doc. 8). No objections were filed. The District Court reviewed the proposed findings, conclusions, and recommendations for plain error. Finding none, the Court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate Judge and **DISMISSES WITHOUT PREJUDICE** the case.

IT IS SO ORDERED this 7th day of February, 2024.

A handwritten signature in black ink, appearing to read "Brantley Starr", written over a horizontal line.

BRANTLEY STARR
UNITED STATES DISTRICT JUDGE
